Corrigan Grad Pam Maynard In Maryland Meet

Miss Pamela Maynard of Locust Road competed in the Capitol Cup meet, Jan. 27 at College Park, Maryland.

Pamela studied at Cathy Corrigan School of Gymnas-

tics for two and a half years before her acceptance to the Grossfeld School of Gymnastics in Milford, Conn.

To attend the Grossfeld School, it was necessary for

Pammy, (as she is known to her many friends), to leave the Deer Hill School, when she was in the fourth grade.

Last year while on the basic team, Pammy qualified to

represent Massachusetts at the Massachusetts State Trials and placed third in the Children's Division meet which was held in Philadelphia.

Jan 1, six months after entering the Grossfeld School, she was promoted to the Elite team, and at age 10 is the youngest member of the team.

As a member of the Elite team, she now lives in the school dormitory with the 12 other girls, one of whom is the well known Wide World of Sports television gymnast and

Gold Medal winner of the 1978 U.S. World Championship, Marcia Frederick.

Life at the dorm is regimental with special diets served in the dining room; all team members participate in six hours of vigorous gymnastics daily.

Pammy is enrolled in the fifth grade at St. Mary's Parochial School in Milford, and hopes to be one of the future stars in the world of gymnastics.

Cook Wins Music Award

Peter Cook, the son of Mr. and Mrs. Kenneth Cook of Cohasset and a senior at Cohasset High School, recently won the first solo competition held for students of the South Shore Conservatory of Music.

The competition was held in conjunction with the Hingham Civic Orchestra and the Music Department of the Hingham schools.

The award is an opportunity to play a trombone solo with the Hingham Civic Orchestra under the direction of John

Corley, conductor, at the Young People's Concert, Feb. 10 at the Notre Dame Academy in Hingham.

Peter will play a trombone solo, a Concert Piece by Builment. He is a member of the Boston Youth Symphony and has won several awards plus a scholarship from the Berklee School of Music.

Cohasset also has the distinction of having the second prize winner, Christopher Williams, a junior at CHS who plays the Alto Saxophone.
